#### **Who we are?**

UNYA has been supporting the health and wellbeing of Indigenous youth in the Metro Vancouver area for over 30 years. At Urban Native Youth Association (UNYA) we have developed a Philosophy of Care foundation, drawing from best practices. These philosophies are the grounding framework that shapes all of our decisions and every interaction we have with the youth we serve. Following these philosophies empowers our staff to meet youth where they are at, by giving them the ability to balance flexibility and structure. This allows us to meet our youth's needs, and ensure that our youth experience a consistent quality of care across all UNYA programs. Our 5 key philosophies are:
