On-Call/Casual Relief Youth Care Counsellor - DAY/AFTERNOON/AWAKE OVERNIGHT

Who we are:

Urban Native Youth Association (UNYA) has been supporting the health and wellbeing of Indigenous youth in the Metro Vancouver area for over 30 years. As a respected non-profit, charitable organization, we recognize Indigenous youth as experts in their own lives and strive to provide programs and opportunities that are relevant and meaningful to them.

Ravens Lodge is a safe, culturally welcoming transitional group home for female Indigenous youth ages 12 to 18 who are in the care of the Vancouver Aboriginal Child and Family Services Society (VACFSS). Our main goal is to empower youth with the tools and support needed to create positive change and make healthy choices in their lives.

At UNYA we have developed a Philosophy of Care, drawing from best practices. These philosophies are the grounding framework that shapes all of our decisions and every interaction we have with the youth we serve. Following these philosophies empowers our staff to meet youth where they are at, by giving them the ability to balance flexibility and structure. This allows us to meet our youth's needs, and ensure that our youth experience a consistent quality of care across all UNYA programs. Our 5 key philosophies are:

- Trauma-Informed Practice
- Two-Eyed Seeing
- Harm Reduction Practice
- Youth/Person Centered Practice
- Culture as Therapy
